In the event there is an error on a registered or completed learning activity, please submit a Campus Web Change form ( Form 127: [PDF](#) or [MSWord](#) ) indicating what change is requested. This form should be submitted to the Graduate College, as all other doctoral learning activity forms. Once this form is received in the Compliance Office, it will be cross-referenced to the documentation that is currently on hand. If there are no discrepancies after cross-referencing, the change will be made by the Compliance Office. If there are discrepancies, you will be contacted by a member of the Compliance Office and what steps can be taken to resolve it.
